

# ARIHANT ENTERPRISE

**No Compromise in Quality & Service**

## About us

**Arihant Enterprise** is one of the leading Manufacturers, Exporters & Suppliers of Consumables of Continuous Casting Machine, Furnace Industries Spares & Rolling Mill Machinery & Spares since 1980. The Company has a dedicated manufacturing support in India to produce high quality products for its customers across the Globe. Today **Arihant Enterprise** has grown its activities in the field of CCM, Furnace & Rolling Mill. Today the company has earned the reputation of the preferred supplier for various Consumables.

### Mission

- To deliver the right products at the right time with best quality to fulfill our customer's requirement with an ethical concern.
- To meet our customer's expectation and fulfill their requirements by providing them highest quality products with an ethical concern.

### Strength

**Arihant Enterprise** has an edge over its competitors as it offers to its customers.

- Consistent Quality
- Just In Time Delivery
- Technical Expertise
- Competitive Process
- Prompt Service
- Professional Approach
